

## A Normal Day in the life of Lindsay!

Lindsay, a hardworking professional, started her day like any other.

## Suspicious Alert

One alert turned her day upside down.

## Fraud Confirmed

Her debit card had been cloned.  
Money gone.

## Everyday Impact

Passwords changed.  
Credit frozen. Life  
disrupted.

## Emotional Toll

Panic, anxiety, sleepless nights...  
fraud hit more than just her  
finances.

## Trust Tested

Even her relationships  
started to feel the strain.

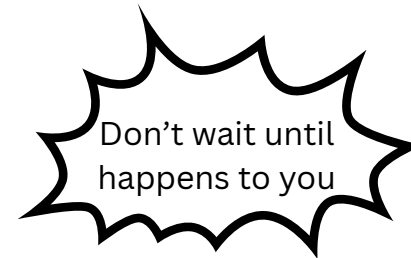

## Taking back control!

Emma was scammed — but she took control.

**Stronger passwords.**  
**Two-factor authentication.**  
**A smarter, safer setup.**

## Your turn!
